

## CERTIFICATION CHECKLIST

October 2013

### Establishment Listing:

- Is your establishment on the EU list of U.S. approved establishments?  
[https://webgate.ec.europa.eu/sanco/traces/output/non\\_eu\\_listsPerCountry\\_en.htm](https://webgate.ec.europa.eu/sanco/traces/output/non_eu_listsPerCountry_en.htm)  
If not (yet), **DON'T SHIP!**
- If yes, does it correspond to the one mentioned on the health certificate?
- No typos? Inversion of numbers?
- Is your third country supplier, if any, an EU approved establishment?
- Is there any restriction on products from that particular third country?

### Date of certificate:

- Your certificate must be dated on the date or before your shipment leaves the United States.

### Approval number:

- Don't forget to mention your approval number on all (outer & inner) packages, irrespective of the final use of your product.
- Does the approval number on the health certificate match the one mentioned on your label?

### Label:

- Is your label complete?
- Does it match with your health certificate?
- No dual labeling?

Any question/doubt?
